

IN TOUCH

**KLYC COVID-19 Community Outreach Program Assistance Application**

We have a team of volunteers who will go to the grocery and pickup prescriptions for "At Risk" elderly neighbors and those that have underlying health conditions. Our volunteers will only shop once per week and we have an agreement with the Grocery Outlet in McMinnville to allow them to shop and then the recipient calls the store and pays for the groceries. **Stay Home & Stay Safe!** We are here to help.
