### Ensure Your Zoom is Up to Date!

The SMP and SHIP centers use Zoom for online events. Zoom requires users to update their software quarterly, at a minimum, in early November, February, May, and August. Failure to do so may cause problems joining a Zoom event, downloading resources during an event, or other technical issues using Zoom. [Update your Zoom](#) software now or before joining your next Zoom event!

### Interpreting Services

If you need American Sign Language (ASL) interpretation for this webinar, please email [info@shiptacenter.org](mailto:info@shiptacenter.org) two weeks before the event.

### Who Receives these Announcements?

The Center sends announcements to people registered to access the password-protected area of [shiphelp.org](http://shiphelp.org) who also have the "Add to Center Distribution List" box checked on their profile. Announcements are also role-based, depending upon the intended audience for each event. Depending on the topic, some events are also advertised to SMP and MIPPA grantees by the SMP Center or NCOA.
