

# Medicare Coverage of Preventive Services

Preventive care helps prevent illness, detect medical conditions, and keep people healthy. This webinar will explore Medicare's coverage of preventive care, how it differs from diagnostic care, and how to help clients navigate coverage. We'll review screenings and vaccines, share practical tips for incorporating preventive care in counseling, and highlight resources that professionals can use to help people with Medicare stay healthy.

**Wednesday, June 17<sup>th</sup>, 2026**

## Meet Our Presenter

**Emily Whicheloe** is Director of Education at the Medicare Rights Center, a partner of the National Council on Aging (NCOA). As Director of Education, she oversees the development of Medicare educational materials for consumers and professionals, manages training programs available to State Health Insurance Assistance Program (SHIP) counselors throughout the country, and fields questions from Medicare beneficiaries during weekly helpline shifts. In her free time, she enjoys taking photographs and exploring New York City by bike.
